u2b50u2b50u2b50u2b50u2b50. I just got this game tonight and I think it deserves a review. I was looking for something a bit different that would pleasantly occupy my mind and Cyadonia just fits the bill. First off the game loads fast and has smooth transition between windowed and fullscreen. The intro is very clear and well done and there are a lot of puzzles. The puzzles are bright and fun, quite challenging and diverse and also pretty addictive, things run in a very fluid way. Cyadonia kind of reminds me of a game I played many years ago on PS1 which was by Net Yaroze called Pushy but saying that this game offers way more. I like the sounds, they're not annoying like in a lot of games that make me mute them. I'm thinking now should I play this while the rest of the family are around and have them hijack it off me as I know they will or should I save it for myself?. Either way I highly recommend this game if you enjoy puzzles.. I just got this game tonight and I think it deserves a review. I was
